
The Student

The Student

Castles

Our three years of education at Port Huron High School will soon become a thing of the past. A very splendid and pleasant group of memories that will linger with us for many years to come. It is with the hope of pleasing you and bringing back those many memories that we formally issue to you THE STUDENT of Nineteen Hundred and Forty.

THE STUDENT and now we wonder if you will like the work that we have done. We thought that it would be fun to have a hand in the making of THE STUDENT, and it was, but we had our troubles too. In looking over the previous book is in your hands we feel that our part in making your last year of High School more interesting has at last been finished. In looking over the previous Year Books we saw in them what we thought were mistakes and flaws in their construction. In this Year Book we have tried to iron out and profit by the mistakes of our predecessors. Although the book will not please all of you, we hope that you will not be too harsh with us. If at least one of you can enjoy this book just half as much as we have enjoyed making it, we will feel that we have been amply rewarded and that we really have accomplished something.

Let us now have a preview of the next sixty pages which is, in reality, a review of the highlights of the past year. Under the topic headed Administration we have placed a write-up about the favorite instructors mentioned in this column. If you joined some clubs in your stay at P. H. H. S. you will find pictures of all the club members in a section comes under the heading of Athletics. Our school spirit is reflected in that section which faculty. Perhaps if you look closely enough you might find some of your favorite instructors mentioned in this column. If you joined some clubs in your stay at P. H. H. S. you will find pictures of all the club members in a section comes under the heading of Athletics. Our school spirit is reflected in that section which

Well, seniors, you come next. The Senior Section of the book is yours and yours alone. Your picture is to be found within these pages. The Juniors and Sophomores have also been included within this division. Under home room groups their faces are to be found. The last division of the book is entitled Features. In this section are many articles and snaps and also the business listings which greatly helped to make this book possible.

Thus concludes the glimpse of the following sixty pages but before you go on to the more interesting sections of the book may THE STUDENT Staff wish each and every one of you all the happiness in the world and that in the years to come this your STUDENT may make the future as well as the past seem a little brighter.

Administration

Learning is but
a mental book.

Mentors

Introducing to the student body MR. LAURENS A. PACKARD, Superintendent of Schools. He is a graduate of the University of Michigan where he earned the right to put A. M. after his name. Mr. Packard is often asked to speak at many High School functions as his humorous stories and anecdotes make him a very entertaining speaker.

Our High School Principal is also a University of Michigan graduate. MR. WALTER R. CLEMENSON has B. S. and A. M. degrees to his credit. With the co-operation of the Student Council he has accomplished much in the way of improvements for the school. In addition he has officiated at many of our assemblies and other all-school gatherings.

MR. HARVEY OHMER, advisor of the January Class of 1940, is better known as "Buck" to students and faculty alike. Under his able and efficient supervision the comparatively small class was able to perform their activities during the last three years in a creditable manner.

Orchids to MISS ELLEN JEAN KEAN, who was the advisor of the June Class of 1940. Indeed we may say that despite the fact that the class was an unusually large one for Port Huron High, Miss Kean accomplished her work in an excellent manner. Under her direction the class's annual parties were among the best ever held.

Faculty

Did You Know That—

MISS BALLENTINE, of the English department is a playwright at heart and that some of her plays have been produced in our school. . . MR. COOK, shop teacher, attends summer school for eight weeks of his vacation and spends the remainder traveling. . . MISS ANDERSON, history teacher, was elected to the National Journalistic Fraternity for her splendid work on the Lighthouse. . . MISS MILLETT, commercial teacher, was a farmerette; spent most of her time in the country. . . MR. CLEMINSON, PRINCIPAL, busies himself during the summer months by driving trucks for The Times Herald Company, and acting as assistant purser on the ferry at the Straits of Mackinac. . . MISS PORATH, of the commercial department, studied dramatics under Jessie Bonstelle, and also studied fencing. . . MR. SOMMER, also of the commercial department, studied under Dr. Fritz Redlick, an ostracized professor from Germany. . . MISS FITZPATRICK, of the history department, was dancing with a Scotchman in kilts to an American jazz Band in Munich, Germany. . . MISS GIBSON, English teacher, firmly believes in recreation during her spare moments. . . MR. STRAFFON, home room teacher, traveled through Florida and up the east coast, visiting all the historic wonders in only one month. . . MISS STEVENSON, chemistry and math teacher, goes to summer school when she isn't enjoying the summer sports. . . MISS EICHORN, Latin teacher, drove, with hot ice in the car, across the 129 mile Death Valley when it was 110° at eight o'clock at night. . . MISS NEIL spends her summers in Toronto, Ontario. . . MR. OHMER is a consulting chemist in a pickle plant in the summer. . . MISS K. B. MOORE, history and econ. teacher, studied American History under Dr. John S. Bassett, who was president of the American Historical Association and who wrote "A Short History of the United States," which can be found in our own library. . . MISS BLACKBURN, domestic science teacher, managed a practice house for a year. . . MISS EVERY, our librarian, graciously admits meeting Mrs. Franklin D. Roosevelt, Edna St. Vincent Millay, Frances Perkins, Christopher Morley and other distinguished persons. . . MR. STEINBORN is a life-guard at Lakeside during the summer, girls.

MISS J. WOODWARD, English teacher, saw Chief Justice Frank Murphy riding horseback while in Washington, D. C. . . MR. MONTGOMERY, mechanical drawing teacher, is the proud possessor of a sail boat. . . MISS HYDE, music teacher, attended a choral school in Los Angeles in July, spent the rest of the

summer in California, visited fair grounds, and came home by the way of Seattle. . . MR. ADAMS, physics teacher, went on a hiking trip all through the U. S., Canada, and Mexico when he finished high school. . . MISS KEAN, English teacher, and MISS WELSH, math teacher, proved to themselves what a small world it is when they met two other Port Huron teachers while strolling along the streets of London, England. . . MISS F. MOORE, social arithmetic and Home Economics teacher, spends her summers in Vermont where she participates in the activities extended by that region. . . MISS FOLKERTS, of the commercial department, saw a rodeo in Prescott, Arizona, on the fourth of July. . . MISS MACLAREN, of the English department, and MISS MEEHAN, of the math department, journeyed to Alaska where they practiced the primitive customs of the Eskimos and to South America where they were particularly impressed by the ancient Inca Ruins. . . MISS ROBBINS, of the Social Science department, tutored at an exclusive girls' camp in Traverse City. . . MISS B. WOODWARD, English teacher, was the roommate of the author of "The Shepards Purse" and other famous stories for children. . . MR. WINGER, shop teacher, spends his summers at his home in Amery, Wisconsin. . . MISS REID, English and history teacher, adapted herself readily to the customs of Egypt when she rode a camel across the desert. . . MISS DRESCHER, commercial teacher, attends summer school during the first part of her summer vacation, and in the latter part, spends most of her time sailing. . . MR. BURNELL, of the mechanical drawing department, made blueprints and helped construct the Dutch cottages on Lake Huron. . . MISS SEIBERT, home room teacher, went to Columbia University where she studied under Dr. Baker, famous literary critic. . . MISS WARREN, of the history department, traveled in Northern Michigan, where she visited the copper mines. . . MISS OLSEN, of the English department, lodged at Fort Bel Voir while traveling in West Virginia.

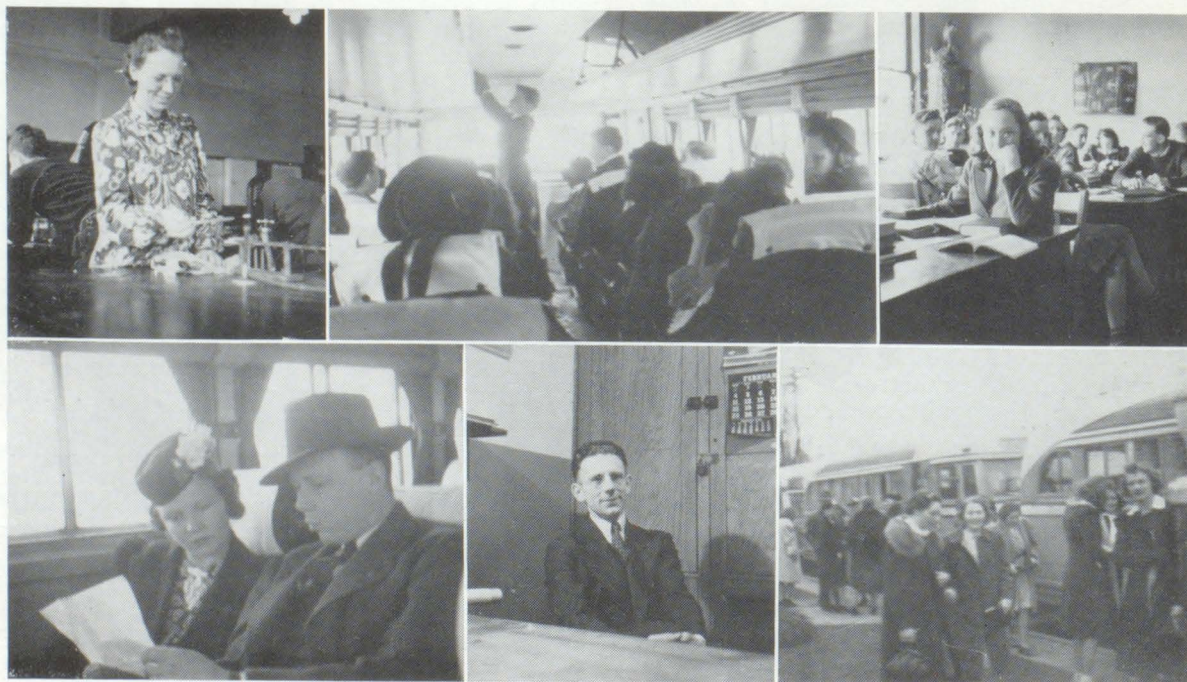

MISS HOLSTEIN, our interesting office clerk, modestly says she does nothing interesting, but work at a finance company in the summer (that lucky company). . . MR. ABERNETHY, chemistry teacher, in 1934, went to Atlantic City and saw only robot checker and chess player who has never been defeated by man. . . MISS KUHLINKAMP, of the physical education department, knew John Burroughs, and John D. Rockefeller. . . MISS CATON, English teacher, met and talked with Pete Fox, Tiger outfielder, in 1935, when the Tigers won the pennant. . . MISS WIESE, home room teacher, visited the Bird Sanctuary

on Long Island, New York, which was a memorial to Teddy Roosevelt. . . MR. BAUMAN, mechanical drawing teacher, went to the Smoky Mountains and Washington, D. C., in two weeks where he worked for the Board of Education. . . MISS ROWE, biology teacher, made two trips to the west coast, where she followed a snow plow up Pikes Peak in the middle of July. . . MR. DENSMORE, public speaking teacher, met and talked with Admiral Byrd and H. V. Kaltenborn, eminent foreign correspondent. . . MISS L. MOORE, domestic science teacher, met Calvin Coolidge while she was attending school in Massachusetts. . . MR. JOHNSTON, math teacher, maintains a hobby of collecting photographs of the various dance

orchestras. . . MISS SCHER, of the English department, managed a summer camp in the upper peninsula where she had several amusing experiences with some visiting hillbillies. . . MISS TURNER, of the commercial department, traveled to Washington, D. C., where she almost got lost in the Smithsonian Institute. . . MR. DENTEL, commercial teacher, goes camping during his summer vacation. . . MISS SCHMUDE'S only desire is to get as far away from school work (and she does plenty), as possible, during her summer vacation. . . MR. SCHOONEN, French teacher, had a private audience with Pope Pius XI. Later he was put into the O G P U jail as a spy suspect.

THE STUDENT Staff wishes to take this opportunity to express its appreciation and gratitude to Mr. Abernethy, who kindly contributed his time and effort taking pictures and thereby helping to make this book attractive.

The staff also acknowledges the generous gift from the 1940 January class which was largely responsible for the stiff covers used on this book.

Activities

After Hours

CHOIR

The HIGH SCHOOL CHOIR, consisting of over one hundred members, was sponsored by Miss Bess Hyde. Among the functions in which they participated were the Twilight Concert at the Desmond during the Christmas season, the regular Yuletide Concert at the High School Gym, and the Bach Festival at Ypsilanti, which was under the direction of Mr. Frederick Alexander. Another highlight was the annual choir banquet at which the senior members received their pins.

CHORUS

Every Wednesday noon in the Auditorium, the HIGH SCHOOL CHORUS met for a session of secular singing. The group was made up of students in the Choir and Vocal classes as well as other students interested in music. Among their many activities were the participation in the annual Christmas Concert, and the County Festival, which was held in March. Miss Hyde, who is the High School vocal teacher, directed the group.

VARSITY BAND

The P. H. H. S. VARSITY BAND, consisting of approximately eighty members, appeared at many outside functions in addition to their regular appearances at basketball and football games, and the weekly assemblies. Among these activities were the Armistice Day and Edison Day parades; their annual Concert held December 10; the St. Clair County Teachers' Institute; the Michigan State Fair, where they won a trophy, and at the St. Clair County Music Festival.

CADET BAND

Thirty-two members made up this year's CADET BAND. None of the pupils who enrolled in this band in September, 1939, were able to play but they have made quite rapid advancement and have finished enough material so that the more advanced of them will be used in the Varsity Band to replace some of the Varsity members who graduated. Mr. E. E. Straffon instructed and directed the group.

G. A. A.

Girls interested in sports made up the GIRLS' ATHLETIC ASSOCIATION. They not only attended and supported the boys' games, but also were active among themselves in basketball, volleyball, baseball, bowling, riding, ping pong and other such activities. At their annual banquet the qualified girls were presented with letters. They also held a three-day camping trip under the direction of Miss Kuhlenkamp.

SERVICE CLUB

This year, as in the past, the SERVICE CLUB has been under the direction of Miss Robbins. Students were stationed at various points throughout the halls where they had supervision over between-class traffic and also assisted visitors in any way possible. In addition, they aided the Student Council in carrying out experimental hall plans for before school and at noon.

RADIO GUILD

Not to be confused with the Radio Club is the RADIO GUILD of P. H. H. S., which was under the sponsorship of Miss Warren. This organization was formed to learn more about radio scripts and the presentation of them.

TRAFFIC CLUB

These boys in the TRAFFIC CLUB were in charge of controlling traffic for the convenience of the students going to and from the weekly assemblies in the gym. The club was under the direction of Mr. Montgomery.

RIFLE CLUB

The RIFLE CLUB was divided into two groups of boys. Once a week each group met in the Armory to practice the correct handling and firing of rifles under different conditions. Mr. Ohmer and Lieut. Robinson were the boys' advisers.

CHEERLEADERS

The CHEERLEADERS this year were made up of six members, three boys and three girls. They met every Tuesday in the P. H. room at the gym where they practiced new cheers which they presented at the games and assemblies.

STUDENT COUNCIL

The STUDENT COUNCIL was made up of three members from each class. They worked together to bring about improvements in the school. This year's major problem has been to find a suitable solution for the hall situation caused by irregular class periods.

DRAMATICS CLUB

Under the direction of Mr. Frederick Densmore, the members of the DRAMATICS CLUB presented skits and plays for the amusement of the student body. They also assisted in the preparation and presentation of the senior plays.

LATIN CLUB

The purpose of the LATIN CLUB is to help make Latin more interesting to the students. But they also enjoyed themselves, as is shown by the Christmas Party which they planned in 1939. Miss Eichhorn is club adviser.

BIOLOGY CLUB

This year the BIOLOGY CLUB under Miss Rowe's direction has carried on a very interesting program. A few of their many activities included biological projects of all types; such as, microbe projectors, ant palaces and the collection of specimens.

STUDENT STAFF

The STUDENT STAFF, under the direction of Miss MacLaren, adviser, published the P. H. H. S. yearbook for 1940. The editor was Gerald Oakes. He was aided by Dorothy Mattson, assistant editor; John Rae, business manager; and Bob Walker, assistant business manager. The art work was done by Charles Bassett.

VERSE SPEAKING CHOIR

Members of the VERSE SPEAKING CHOIR are those pupils interested in the recitation of various pieces. The entire organization speaks in unison giving a very interesting effect. Among the functions at which they appeared was the annual Spotlight.

LIGHTHOUSE STAFF

Journalism was ably represented in P. H. H. S. in the LIGHTHOUSE STAFF. This organization prepared, published, and distributed the school newspaper to the students every two weeks. Miss Anderson, adviser, was assisted by Kapua Reeves, editor, in directing the staff.

P. H. CLUB

All boys who have won letters are eligible for the P. H. CLUB. They were under the sponsorship of "Brick" Fowler and met every other Monday night in the gym to play basketball and take part in other activities.

PHILATELIC CLUB

Students who have stamp collecting as a hobby made up the PHILATELIC CLUB. These collectors traded, sold, and exhibited stamps and also entertained outside speakers. Mr. Allen Phillips was the adviser.

CREATIVE WRITERS

An interesting organization is the CREATIVE WRITERS. The members wrote poems, short stories, plays and other types of literature. This year they collaborated on writing their first novel. Miss Ballentine is their able adviser.

HI-Y CLUB

Under the leadership of Mr. Phillips, the boys' HI-Y held their weekly meetings at the Y. M. C. A., where they participated in gym activities. This year was a particularly busy one as the boys attended conferences in both Flint and Pontiac.

RADIO CLUB

The RADIO CLUB has become quite popular among the P. H. H. S. boys. They met every Wednesday afternoon to study the principles and construction of radios. The boys were under the leadership of Mr. Johnson.

GIRLS' ENSEMBLE

The GIRLS' ENSEMBLE was an organization of twelve girls, meeting after school every Monday. The primary purpose of the group was not to prepare for programs but simply to enjoy music written for treble voices. Miss Bess Hyde was the girls' director.

ETIQUETTE CLUB

The ETIQUETTE CLUB studied the proper etiquette for all occasions which included how to make introductions and helped to develop poise. The members obtained practical experience from teas, dinners, skating parties, and movie parties.

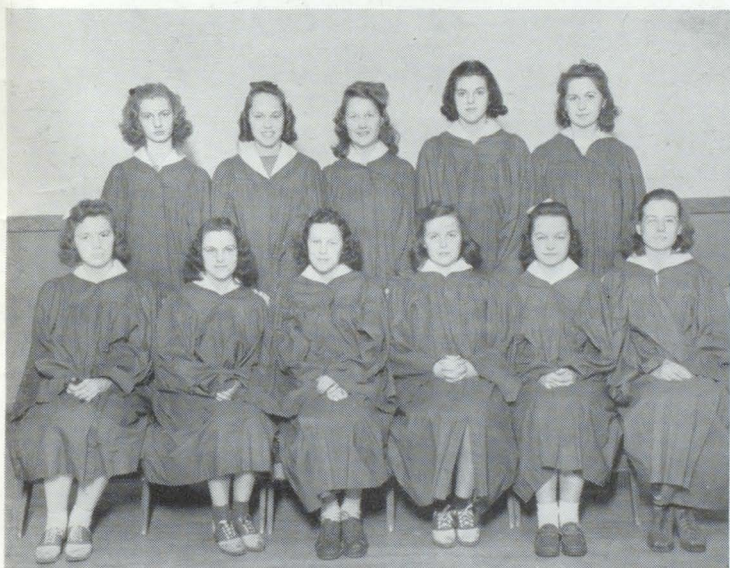

NATIONAL HONOR SOCIETY

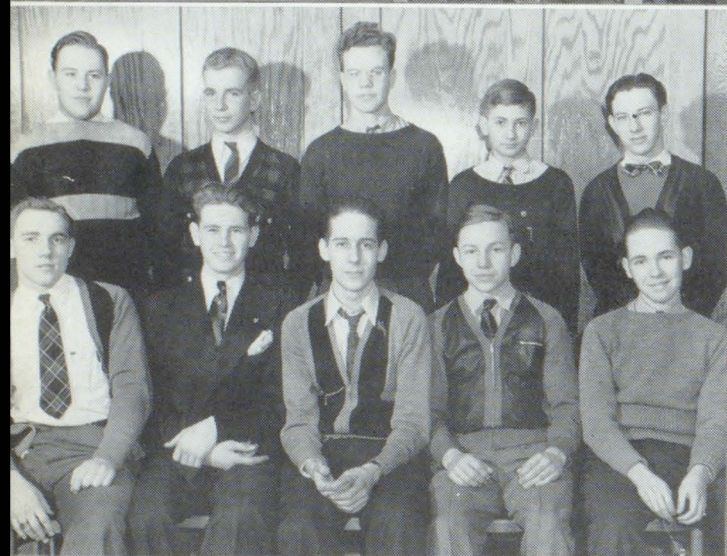

Members of the NATIONAL HONOR SOCIETY were elected by the entire faculty on the basis of Character, Leadership, Scholarship, and Service. To be elected to membership is the highest honor that one can receive in High School.

COMMERCIAL CLUB

The COMMERCIAL CLUB consisted of students who wanted practical experience on how to operate the various office machines. This year their leader, Miss Drescher, arranged visits to many local business offices in addition to their regular activities.

CHESS

Under the leadership of Miss Frances Moore, the CHESS CLUB not only held tournaments between themselves but also matched pawns with many prominent men throughout the city. The fight for the championship was one of the highlights of the year.

HOME ECONOMICS

The HOME ECONOMICS club, sponsored by Miss Laura Moore, studied the problems of personal grooming; such as, hair styling, dress fashions and colors. The girls brought their sewing to the meetings and also gave reports on subjects of interest to the entire group.

SCIENCE

For the purpose of studying the scientific aspects of different things, the SCIENCE CLUB was organized. Mr. Allan Phillips, who was their adviser, arranged various interesting field trips to industrial plants throughout the city.

LIBRARY

Each member of the LIBRARY CLUB was requested to work in the Library one period each week, putting books away, straightening shelves, filing, and various other tasks. In addition, they had theatre parties, luncheons, roasts, and other activities lead by Miss Evert.

FRENCH CLUB

Advanced students in French formed the personnel of the FRENCH CLUB, which was under the direction of Mr. James Schoonen. Among the many activities in which they took part was the publication and distribution of a small newspaper in French.

TRAVEL CLUB

Students interested in travel made up the TRAVEL CLUB. Its purpose was to broaden their scope of information through talks, pictures, and visits to nearby points of interest. Occasionally, guest speakers were invited to speak to the group.

SCRIBES CLUB

Girls in their second year of shorthand were eligible for SCRIBES CLUB. They took dictation for practice in speed and accuracy. They also made tours through various business enterprises in Port Huron. Recently the girls went through the Woman's Benefit Association.

CAMERA CLUB

An increasingly popular organization with the student body has been the CAMERA CLUB. Some of the activities which they carried on under the sponsorship of Mr. Adams were the developing, printing, and enlarging of films.

Senior Plays

"GREEN FIRE"

On the 17th and 18th of November, 1939, the senior class of January, 1940, presented the play GREEN FIRE to the students of Port Huron High School. The action of the play occurs in the year 1990. James Ferguson and David MacRobert unite in an effort to surpass Boris Jevic in the search for the secret of atomic energy. The strain is terrific and under it Jevic goes mad. He plans to destroy the world at midnight with disintegrating rays. Ferguson and MacRobert learn of this and hurry to Jevic's

laboratory to try to stop him. Jevic holds them at bay with a death ray pistol until To Sin, Jevic's servant, manages to poison him and in a thrilling climax Ferguson and MacRobert neutralize Jevic's disintegrating rays just in time.

Members of the cast were: Amos Warwick, William Snodden, Robert Walker, Louise Bonner, Charles Jex, Phyllis Buck, Phyllis Gillert, Eileen Brandenburg, Dennis Firth, Mary Ellen Parry, Goldie Jewell, and Charles Wilson.

Mr. Frederick Densmore was the faculty advisor in charge of the direction and presentation.

"WHAT A LIFE"

The senior class of May, 1940, presented the play WHAT A LIFE on the nights of April 19 and 20. The play is a story of high school life and of Henry Aldrich who constantly got into more and more trouble until finally he was in so deep it seemed only a miracle could save him. The miracle happened and Henry emerged a wiser and better man. Henry's troubles were so amusing and true to life that the audience roared with laughter.

Jack Henderson played Henry with Jean Vos

playing opposite on Friday, and Josephine Short on Saturday. The part of Miss Shea was also double casted with Kapua Reeves and Mary Lambert playing the part.

Other members of the cast were: Edwin Ellis, Bill Grice, Edward Sargent, Don Freeland, Mary L. Sloat, Jean White, Ferdand Robbins, Lois Hushin, Lois Wargowski, Frances Shaw, Frank Morrison, Jean Smith and Sally Johnston.

The play was directed by Shirley Sloat, Bill Snodden, Jean Richards, Dave Arkills and Mr. Frederick Densmore.

Dear Diary

SEPTEMBER 30:

Gee we seniors certainly have been making the most of our time. That Athletic Booster Party in the gym on the 15th still makes we wanna whistle. And really—the most stunning males were here in our assembly the 28th announcing the Sarnia vs. P. H. H. S. game, that we *couldn't* refuse to go help our team win that game. GEE whiz, we're no pikers!

OCTOBER 31:

I guess I told you about losing the game to Mt. Clemens on Friday the 13th and the swell party after, didn't I? But back hep-hepping again the 27th we went to the 11A's super bang-up party and gosh I had a good time.

NOVEMBER 30:

I've had to act pretty angelic around home this month (I dug out my halo the 7th) cuz Dad and Mom went to OPEN HOUSE and met my teachers! We went to the All Hi-Party the 10th and helped the movie fund. Boosted it right up smart, too. Oh, and about the Senior Play!!! On Friday and Saturday the 17th and 18th, the 12A's gave a dandy performance of GREEN FIRE, and the whole cast were knockouts. Congrats to Mr. Densmore. Then on the 22nd, all those sophomores just buzzed about their party, and Sister Sue got an invite from some cute looker. Just to wind up the month (really, kiddo, tempust fugit) the Alumni Choir gave a swellish holiday party. All the gang was there.

DECEMBER 31:

I really do think he's cute tho', don't you? I mean *really*! If it hadn't been for the dance and game on the first, well, none of this would have happened! HE took me to the Spotlight Program (on the 8th and 9th) and the SHOW BOAT had just docked and we went on in and saw a grand show. The audience was just rocked with rhythm on the 13th when we, the Choir, gave our annual Twilight Concert in the Desmond. And in Assembly on the 14th, right after our scrumptious concert, the Honor Society made its notifications. The 12A's gave that dance WE went to Saturday the 16th. The kids sure threw a swell "last party." Then right the next day the whole family came to the annual Christmas Concert in the gym. One of the finer things of life, too, was the Christmas assembly on the 21st. We busy Choirsters sang hymns and carols and then all joined in. The 22nd we got out for vacation and Santa and the 30th was the Choir Reunion when

all the gang goes to find out who had their name changed to what.

JANUARY 31:

It's June in January . . . tra la. After the Seniors had their assembly on the 3rd, the Honor Society gave their impressive initiation ceremony. On the 7th the Baccalaureate Services were held and on the 10th my MAN took me to the Commencement exercises where we watched some of our best friends walk right out into the world. The 20th Sister Sue and I went to the Golden Gloves Tournament. Leonard, Jones and Allen can sure pack in the left's and right's . . . wow!

FEBRUARY 29:

First let me tell you about THE STUDENT Staff dance on the 3rd. All the smart kids were there (the place was packed) and we really had a swell time. Sister Sue made out ok with the 10th graders, too. Whiz, did we 12A's ever give a snazzy party on the 23rd. We kayoed all the rest of the dances (we think). It was all on accounta Miss Kean and the kids who helped. Guess we showed 'em.

MARCH 31:

March just jived on in like a lamb this year, and the GAA pinned up those ultra cute signs they always have advertising their BARN DANCE the 8th. The gym was decorated spiffy too and the kids had the time of their life. Sister Sue took her new beau (she discovered him in French class last week) to the 10B-10A closed party, and from what she says . . . On the 21st we got let out for Spring Vacation (Sprig is cub) and we had our Easter Assembly, with Rev. Sichterman as guest speaker. Oh and did we ever have the *marvelous* time in Ypsi the 29th. The Bach Concert was simply breath-taking, and we in the Choir had a grand feast at McKinney Hall. We met oodles of good-lookers from other cities, woo-woo!

APRIL 30:

In spring Percy always manages to ask for a date so on April 5, we went to the 11A open party, and gee, if anything was a huge success, that was. The combined Choir, vocal department, chorus and Alumni Choir presented their annual Spring Concert in the gym the 14th. "WHAT A LIFE!" That was the name of the Senior Class Play we gave on the 19th and 20th. It was a rip-roaring success, so, Orchids to Mr. Densmore and the cast, or do you prefer Gardenias? You should have heard the Albion College Band the 23rd.

They scored a great hit with everyone (of the gals). Then on the 24th, we went to the Lighthouse Banquet, and a peppy time was had by all.

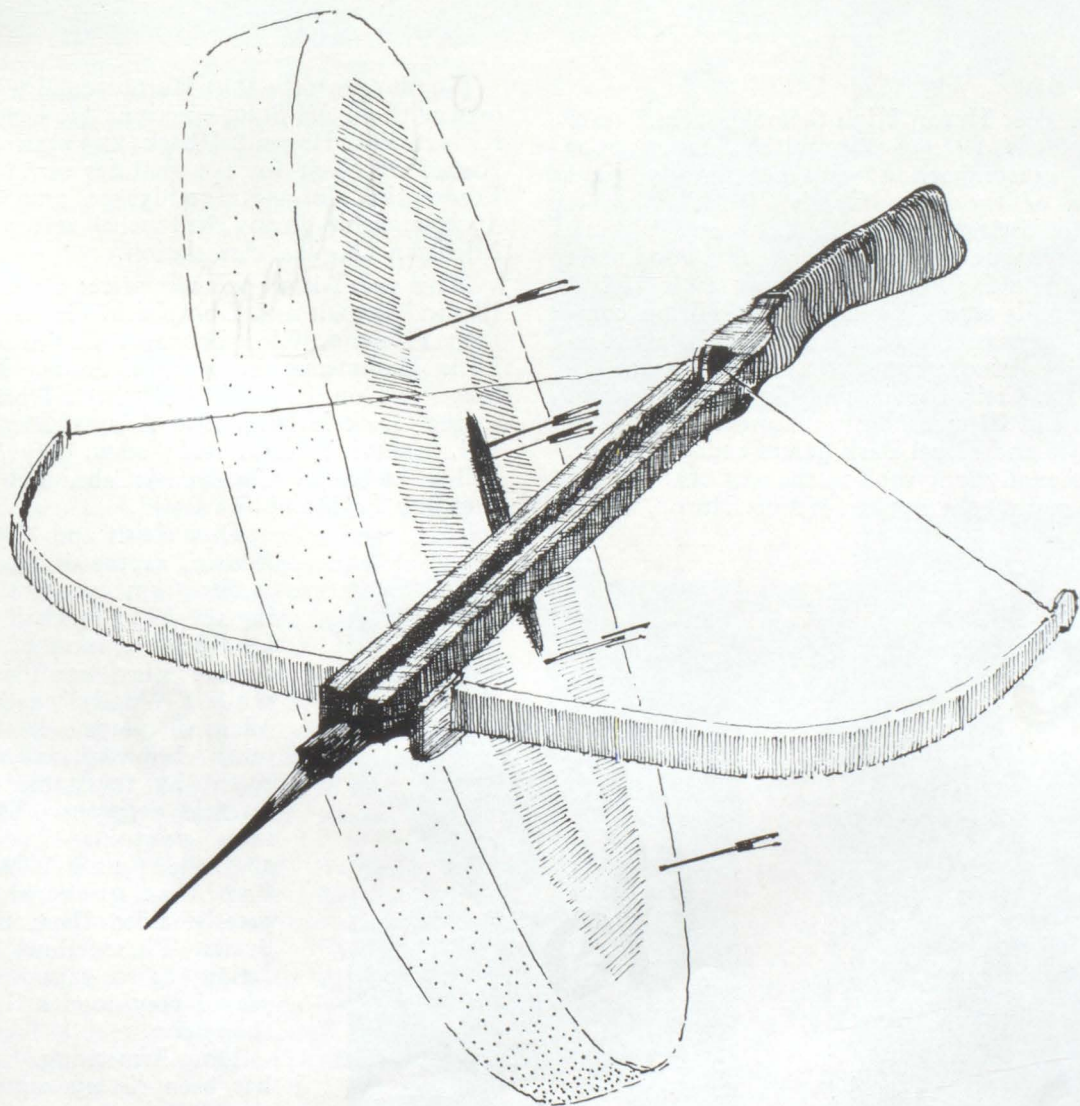

MAY 31:

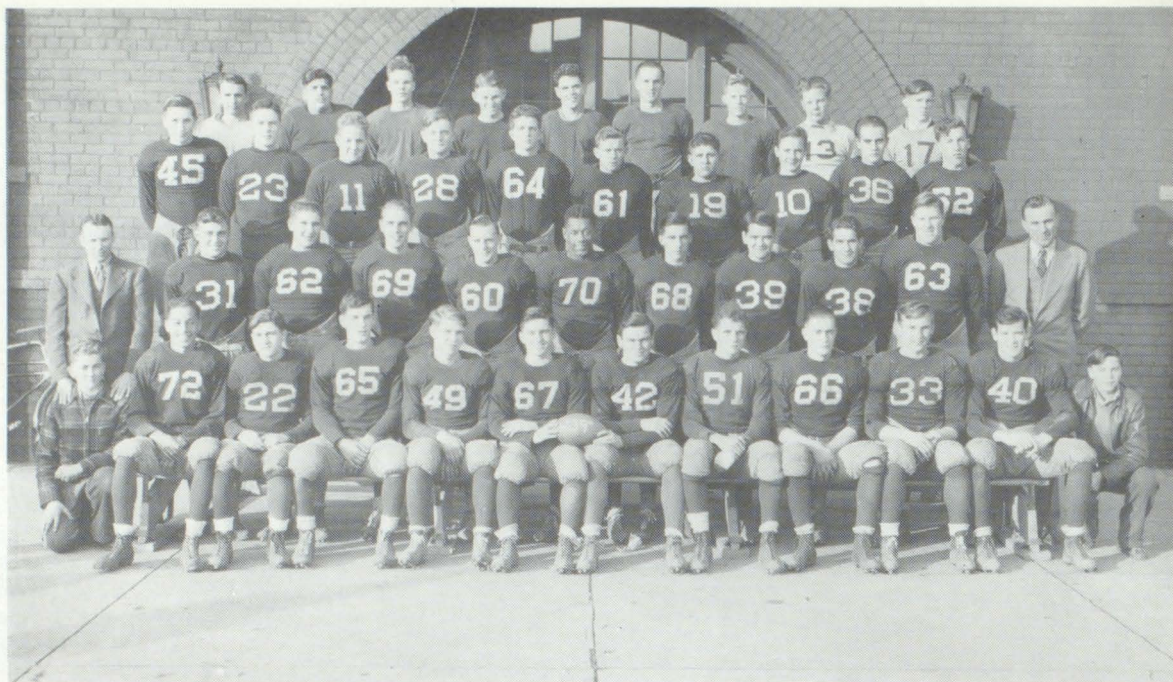

It's all over with, and yet, it isn't . . . Somehow you sorta feel it's just the beginning. To start from the start, on May 1, we had our last GAA Banquet, and it was a ritzy affair, too. The Honor Society made their last notification (in our life anyway) the 2nd. Jitterbugs had nothing on us when it came to being jumpy. (ps. HE made it!) The Circus came to town on the 3rd and 4th, and Mr. Big Moment and I laughed ourselves sick. Then on the 7th the Choir just showed off again by giving a pretty swell banquet. I know cuz I ate just a wee bit too much of the delicious food. Mom and Dad wore their happiest smiles to the Honor Society Initiation the 9th, to see we kidlets initiated. Punk and I went to the dance the 19th and had

the bestest time ever. We've watched Seniors walk down the aisle and wondered why they always looked so darn sober. Gosh from where we always sat we kinda thot it should be the happiest moment in their lives. That was until our own Baccalaureate on the 19th. Everything was so beautiful . . . it sorta does something to you. I've just been *aching* to tell you about the Hop. It was super-extra-colossal, no kidding. You feel like a million dollars after a party like that. Bingo, and was he handsome. We fems didn't look so bad either, though . . . Then the last lap in our journey. I don't think I'm gonna like leaving P. H. H. S. . . . not even a *little* bit. Commencement is over, and we are ready to begin to *commence*. Everything was so very swell . . . those three years 'n' everything. If I'm not careful I'll break down, let-loose and stuff, and ya just *can't* do things like that anymore . . . not when you're a "woman of the world"

Athletics

FOOTBALL

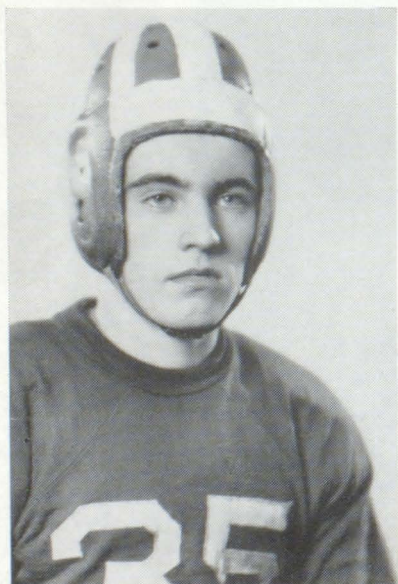

The Port Huron High School football team finished the 1939 season with a rather poor record in comparison with the usually good seasons of the past. Coach "Brick" Fowler, with his assistants, Charlie Cook and Willard Blackney, who have always placed a good team on the field for Port Huron, met a bit of bad luck in this season's games. Port Huron completed the season with a record of three victories, three defeats, and two ties. The team defeated St. Clair, Sarnia, and Grosse Pointe, and lost to Mt. Clemens, Jackson, and Pontiac. The Ferndale and Hazel Park games ended all even. Exceptionally long runs on the part of the opposition marred the record for Port Huron.

No player on the Port Huron squad was honored with an All-State selection. However, Bob Richert, Port Huron halfback, was presented the Award of Merit for his qualities of Courtesy, Leadership, Honesty, Intelligence, and General Sportsmanship during the football season by the Michigan Officials' Association.

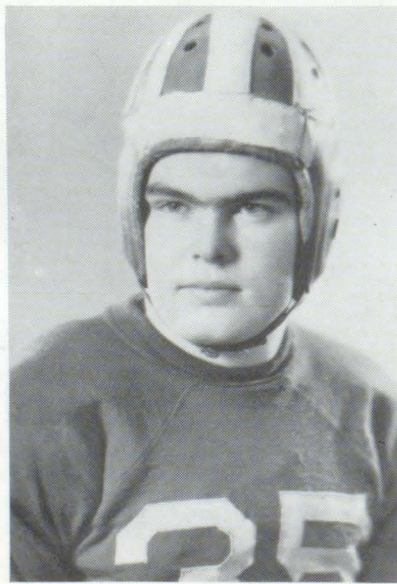

This year's letter winners were: Co-Captains Elwood Brown and Don Keith, Calvin Battle, Don Freeland, Glen Leonard, Calvin Lepien, Dick Hammersmith, Harold Jones, Fletcher Spigner, Don Allen, Bob Richert, Don Armstrong, Dick Helwig, Bob Adams, Ray Caughill, Granville Firth, Bill Seeley, Ray Morris, Bill Hildebrand, Charles McCabe, and managers Bob Pugh and Jim Latin.

Don Keith and "Woody" Brown captained the Red-White team excellently during the 1939 football season. Don directed most of the defensive play of the Reds, while "Woody" called the offensive plays. Both captains, however, were consulted by the game officials on field decisions. The captains' positions—Don Keith at tackle and "Woody" Brown at quarterback—greatly aided them in their duties. These fellows, besides acting as co-captains, also played very good ball during the season.

Don Armstrong, fullback, has been elected captain for the 1940 season.

"WOODY" BROWN

DON KEITH

Hogskin Parade

ST. CLAIR 0—PORT HURON 39. Due to a heavier and superior line, Port Huron started the season by easily defeating St. Clair. Port Huron needed only a straight running game for the line was very good on offense. St. Clair's punting featured their play.

FERNDALE 0—PORT HURON 0. Through a full game of cold, rainy football Port Huron battled a lighter, faster, and superior Ferndale team to a nothing-nothing tie. There were no outstanding plays or players due to the heavy downpour of rain.

SARNIA 0—PORT HURON 12. This annual game was played at Sarnia with the first half being played under Canadian rules, with neither side threatening to score. The second half, played under American regulations, was more exciting with Port Huron going over for two touchdowns.

MT. CLEMENS 6—PORT HURON 0. Although Mt. Clemens brought a heavier line here, the play of the Port Huron forward wall stood out throughout the entire game. A Mt. Clemens back received the Port Huron kick-off at the half and ran it back 90 yards for the only score of the game.

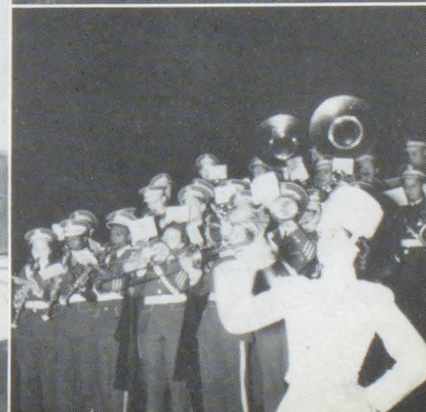

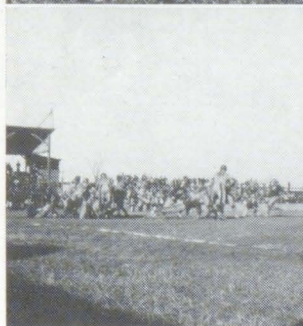

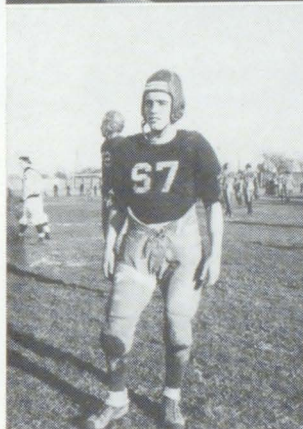

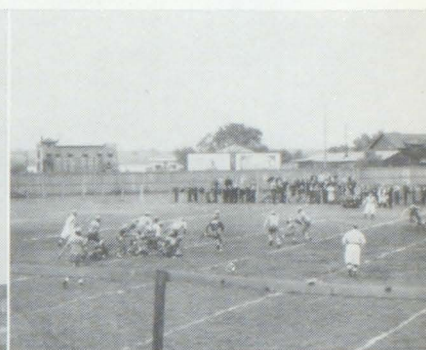

JACKSON 19—PORT HURON 6. Port Huron played and lost its first game of the season under lights. Jackson had the advantage of speed and weight and used it to a great extent in the last half when they made two of their touchdowns. Helwig and Richert brought the crowd to its feet several times but even their brilliant plays were not enough to stop Jackson.

HAZEL PARK 6—PORT HURON 6. This was the first home night game in the history of Port Huron High School. After two scoring threats had failed, Port Huron finally scored in the third quarter. In the fourth quarter, Hazel Park came right back with a 95-yard run for a touchdown. Like Port Huron's their try for the extra point failed.

PONTIAC 6—PORT HURON 0. Port Huron invaded Pontiac with the Little Brown Jug in their possession. The big Reds outplayed Pontiac throughout the game with some magnificent football. Even the outstanding play of Glen Leonard failed to stop a sixty-yard returned punt that counted for Pontiac's only score.

GROSSE POINTE 0—PORT HURON 18. The Port Huron Red-Whites closed their season and continued their jinx over the Grosse Pointe team with a victory. Although the Pointers had a heavier team, the speed of Port Huron was too much for them. Bob Richert, scored all three touchdowns, and Don Free-land's blocking and tackling featured the Port Huron victory.

Season Snaps

BASKETBALL

The team that started the 1939-40 season was one of the most inexperienced in the 12-year coaching history of "Brick" Fowler. The Reds played a tough schedule during the year dropping decisions to Flint Northern, Jackson, Grand Rapids Union, Toledo Waite, Toledo Libby, Mt. Clemens, Grosse Pointe, Lansing Eastern, and Ford Trade. Port Huron defeated Hazel Park twice, Ford Trade, Mt. Clemens and Ferndale. Although the rather poor record of five victories and nine defeats does not show it, the Red-Whites lost three games to the foes by five points or less which is a very narrow margin in basketball. Loose ball handling and lack of height was the direct cause for the early season defeats for Port Huron. In the later games Coach "Brick" Fowler experimented with some of the sophomore talent but without much success, although the boys played a good brand of basketball.

The 1939-40 captain, Ernie Tallman, showed excellent judgment in making various decisions throughout the season besides playing a good brand of basketball at his guard position.

Letters were awarded to the following men: Captain Ernie Tallman, Ralph Ingerson, Gordon DeLacy, Bob Lewis, John Sanderson, Bob Hobden, John LaForge, Don Schatzline, Bill Truscott, Jack Dobratz, Jack Goss, Al Petrossi, and manager Dave Gorte.

Ingerson, Goss and Petrossi will be eligible for the 1940-41 season. Hobden, Schatzline, Truscott, and Dobratz have two more years ahead.

Don Schatzline has been elected captain for next season. Next year's team will probably be built around Hobden, forward; Dobratz, center; Schatzline and Truscott, guards.

1939-40 BASKETBALL SEASON

GRAND RAPIDS UNION 25—PORT HURON 21. Port Huron started off the '39-'40 season with a defeat at the hands of Grand Rapids Union. Although Port Huron was leading by four points at the half, very loose ball handling on the part of the Reds was responsible for their loss. Johnny LaForge, who was high point man with ten points, and the defensive work of Bob Lewis featured the Port Huron play.

FLINT NORTHERN 37—PORT HURON 20.

Superior play on the part of Flint Northern, last year's state class A title holders, easily defeated the Red-Whites. The Flint Northern team also took advantage of its greater height in scoring the victory. The highlight of the Reds' playing was Johnny LaForge, who again led Port Huron's attack with nine points.

JACKSON 32—PORT HURON 21. The lack of height again resulted in a Port Huron defeat at the hands of Jackson. Jackson's tight defen-

sive tactics kept the Red-Whites' offense well checked during most of the game. This defense held Port Huron to a lone field goal in the second period. LaForge and Don Schatzline shared the Port Huron scoring honors with six points apiece.

FERNDALE 24—PORT HURON 30. The Port Huron Red-Whites snapped a three-game losing streak by defeating Ferndale, 30-24. Port Huron took over the leadership in the first period and although outscored in the late minutes of the game managed to check the threat and win. The steady shooting of Johnny LaForge again featured the game for Port Huron.

GROSSE POINTE 30—PORT HURON 25. By defeating Port Huron, Grosse Pointe won its second game in a 14-game series with the Red-Whites. The Pointers played a great defensive game in the first half to lead 18-10, but in the late periods the Reds outscored their rivals 15-12. The Grosse Pointe defense caused the Red-Whites to shoot from well out on the floor and wild passing handicapped the Port Huron team at crucial moments.

MT. CLEMENS 16—PORT HURON 29. Port Huron at the end of three quarters got their attack clicking against Mt. Clemens in the Bath City, and rang up 12 points in the final quarter to make a 29-16 score out of what had been a contested game with their traditional rivals. This victory was the tenth in thirteen starts for a Port Huron High School basketball team coached by Brick Fowler. It was the Bathers sixth straight loss.

LANSING 49—PORT HURON 28. Lansing Eastern took their revenge on Port Huron High School and defeated them 49-28. Missed shots tell the Port Huron side of the game while Eastern did everything right and were never in the hole. In a wild second half in which Eastern scored 25 points Port Huron lost control of the ball by wild passing. Coach Brick Fowler attempted to break Eastern's spell with frequent substitutions but it was to no avail.

HAZEL PARK 34—PORT HURON 36. In this game Port Huron got off to a slow start and was trailing 11 to 19 at half time but they came back in the final quarter to win. In the third period the winners picked up speed and near the end of the session were within two points of a tie. Early in the final quarter Don Schatzline made the score 26-26 and a few seconds later he repeated to give his team a two point lead. Clever stalling helped to hold the margin the rest of the route.

FORD TRADE 21—PORT HURON 26. Port Huron won the first of a two-game series with Ford Trade when the Reds trounced the Traders 26-21. The Red-Whites piled up an 18-11 edge in the third period and then watched the lead

fade out and vanish when Ford made the score 21-20. These baskets aroused the Reds and with less than three minutes to go they made the score 26-21. Just to make the victory sure the Reds played a stalling game in the final 90 seconds.

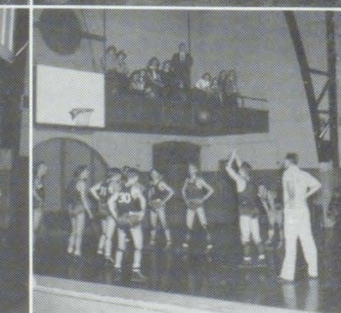

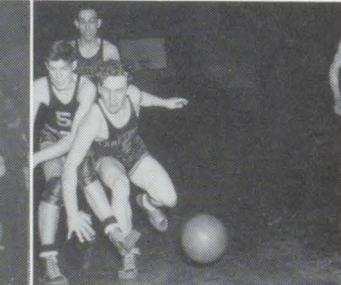

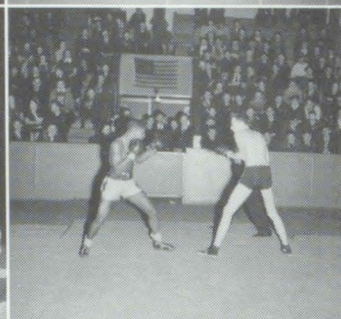

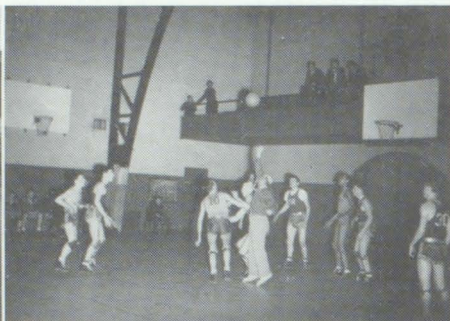

MT. CLEMENS 25—PORT HURON 18. Mt. Clemens Bathers did the unexpected when they nicked Port Huron's Reds, 25-18, for their first victory of the basketball season. The Reds romped over the Bathers in the first game of the series in Mt. Clemens and for a while in the third period it looked as though they were going to repeat. But fate and the Bathers crossed things up in the last quarter of a very fast moving game.

TOLEDO WAITE 26—PORT HURON 24. Toledo Waite defeated Port Huron by a two-point margin in a game that gave the crowd lots of excitement. The Red-Whites fast passing attack was very effective against Toledo's man to man defense in the first half. In the second half Waite shifted to a zone defense which checked the Reds' attack and enabled Toledo to obtain a two-point lead in the late minutes of play. Don Schatzline, Red Guard, was high point man with twelve points.

FORD TRADE 29—PORT HURON 19. The Red-Whites continued their losing streak by losing to Ford Trade School by a ten-point margin. It was a very slow game with neither team showing much scoring ability. Port Huron scored only seven points in the first half. Besides the defeat, the Red-Whites also lost the services of Bill Truscott for the remainder of the season. Bill injured his leg when he crashed into a wall during the game.

TOLEDO LIBBY 23—PORT HURON 13. Toledo Libby played a very good defensive game in defeating the Red-Whites 23-13. The height of the Toledo team greatly aided them in their victory. The first half was rather lacking in action; the score being 9-4 with Port Huron on the heavy end at the half. Libby, however, came to life in the second half to score 19 points which clinched the game. Johnny LaForge was high point man with 11 points. Ralph Ingerson scored the other Port Huron goal.

HAZEL PARK 24—PORT HURON 27. Port Huron finished the '39-'40 basketball season with a victory over Hazel Park. This game was probably the fastest seen in the last few years in the Port Huron gym. The Red-Whites were leading by ten points at the half but the Parkers came to life in the last two periods to cut down the lead to three points. Bob Hobden, making his first start with the Port Huron varsity, proved to be the spark plug of the Reds' attack. Johnny LaForge was high-point man with ten points.

Here and There

BASEBALL

The Port Huron High School Baseball team ended up with an undefeated record to show for the 1939 season. The team won eleven games, the last of which made the 100th victory for the Port Huron High team in the last eight years. During this period the team has lost only 14 games which is a remarkable record. The '39 team was well balanced and played very smart baseball behind excellent pitching by Doug Light, Jim Finley and Mandel Ashford.

Letters were awarded to the following fellows: Captain Bob Richert, "Ossy" Moore, Ken Mosher, "Wimpy" Hayes, Doug Light, Jim Finley, Mandel Ashford, Ralph Turnbull, Stan Gorinac, Jack O'Reilly, Charles Wilson, Stew Mosure, John LaForge, "Woody" Brown, and Managers Delmar Smith and Don Armstrong.

Coach Willard Blackney has three of these letter men back for the 1940 season. They are "Ossy" Moore, Stew Mosure and John LaForge. The rest of this year's team will be built around these boys.

NEW ATHLETIC DIRECTOR

The Port Huron School Board in February, 1940, announced the appointment of "Brick" Fowler to the office of Athletic Director for the Board. "Brick" who is taking the position vacated by Melvin J. Meyers, is succeeded by Charles Cook as football coach for the high school. Charley has previously been assistant football coach. In his many years as head football coach at Port Huron High School, "Brick" has always placed a good team on the field and we are sure that Coach Cook will carry on this fine record.

BOXING

This year, due to interest shown on previous occasions, boxing was given a first class role in school activities. The boxing matches were started a few weeks before Christmas and continued until the first of May. These bouts were held in the Gym on every Thursday noon. Twelve to fifteen bouts appeared on the card every week and each and every bout proved very exciting. Great caution was taken to prevent accidents which would be harmful and black eyes were about the most serious injuries.

"Brick" Fowler and John Burrell directed the bouts and it was due to their efforts that the boxing shows proved so successful.

GIRLS' INTRAMURAL

Under the supervision of Miss Kuhlenkamp and the G. A. A., the girls' intramural carried on a varied program of sports. The principal games of the year were volleyball and basketball; although the girls also participated in softball, ping pong, shuffle board and other minor sports. After a series of practice games, the championship tournaments were held. This year the Junior, Senior, and Sophomore teams about equally divided the honors in games won.

GOLF

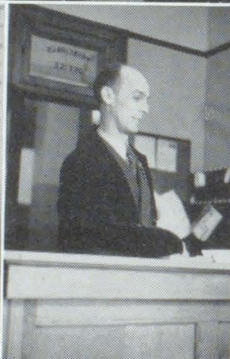

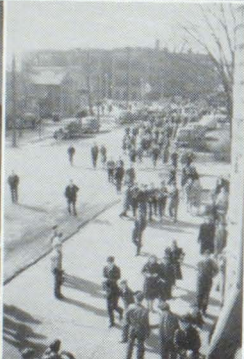

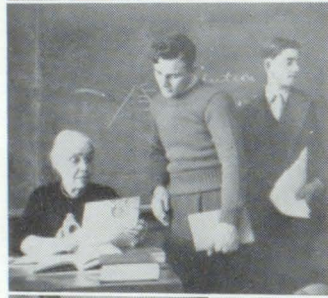

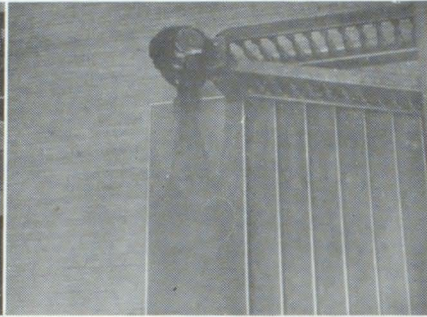

The 1939 golf team had a very successful season and turned in a remarkable record for the year. The squad, which consisted of Fred Riehl, Bob Campau, John Riehl, Fred Falk, and George Asman, played twelve matches, winning eight, losing two, and tying two. Melvin J. Myers was the coach. Fred Riehl and Fred Falk will be back for the 1940 season. Harvey Ohmer will coach the squad this year. This year's schedule is as follows:

April 30	Flint Central	There
May 2	Ferndale	There
May 7	Mt. Clemens	There
May 9	Mt. Clemens	Here
May 14	Ferndale	Here
May 16	East Detroit	There
May 21	East Detroit	Here
May 23	Flint Central	Here

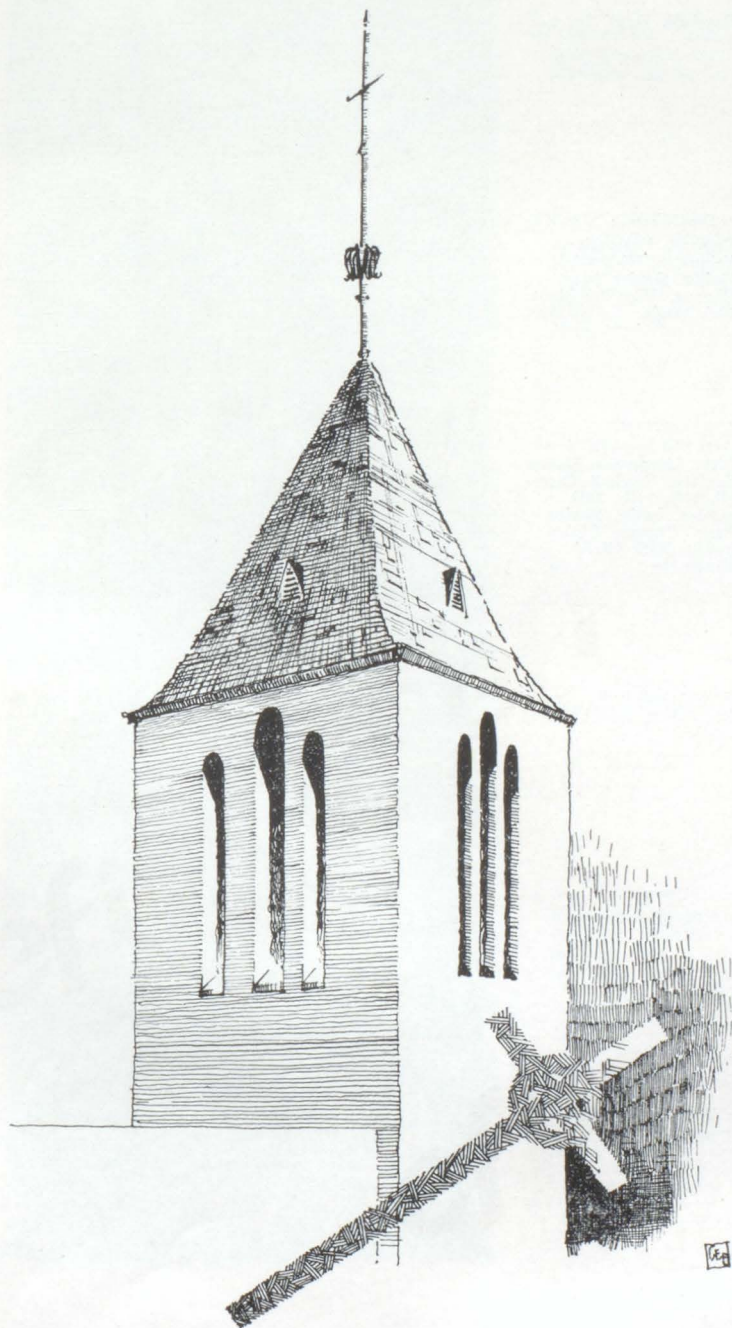

CLARENCE PHARE MEMORIAL

The Clarence Phare Memorial, which is presented annually to the athlete showing the greatest ideals of sportsmanship, was awarded to Gordon DeLacy this year. His name will be engraved on the memorial plaque with the previous winners. Clarence Phare, in Coach Fowler's estimation, represented the highest type of High School athlete he has ever coached.

Features

Class Prophecy

June 1, 1950.

Mr. Walter R. Cleminson,
Superintendent of Education,
University of Port Huron,
Port Huron, Michigan.

Dear Mr. Cleminson:

I submit the following information upon receipt of your request as to the whereabouts of the Class of May, 1940. I have spent several weeks analyzing this report and have not been able to make a complete record. Perhaps the missing members are married or are enrolled in the W. P. A., incognito; however, I have located the following:

MABEL RUSSELL is head librarian in the Congressional Library, where she has peace and quiet day in and day out. JOHN REA, our parliamentary genius in Student Council, and now a United States Senator, has gained recognition as a very effective filibusterer. (We remember his talent in English 9). LOIS WARGOWSKI is teaching at the Conservatory of Music in Chicago, where, in her classes, "Hi" is the byword. DICK STARBACK, with Mrs. Starback, the former HAZEL JONES, and the famous Starback Serenaders, STAN GUSTKE, CHARLES HANNAKE, NEAL LAMBERT, and BOB ROSS, are touring the United States—looking for a job. Featured vocalist is SALLY JOHNSTON. NORMA COGGAN and MARY DEMETER are on the teaching staff of one of the better commercial schools—P. H. Business College.

CHARLES ANDERSON is sole proprietor of the gas station at Tenth and Minnie Streets. FRANCES BAIRD, so taken up with her music, remained as an instructor at the Conservatory in Fontainebleau, France. KATHERINE ANDERSON, married a star on her uncle's famous team, which explains her keen interest in football. PEGGY BARTHEL is still in the ice cream business as she can't decide as to what she wants her name changed. FRANK NAGLE is working on a new design for love seats, after having failed as a door to door salesman. LEO BACHELOR has found women irresistible and so has made the trip to the altar. VIRGINIA ANTHONY, AUDREY MILLER and CATHRYN McDOUGAL are teaching gymnastics at a girl scout camp. MARJORIE HASTINGS is on the way up the ladder of success since displaying her portraits in the Art gallery.

ROBERT MILLER and DOROTHY THOMAS are Phi Beta Kappa members. Dot is teaching kindergarten, where she has finally succeeded in teaching boys that girls' curls are not to play with. Bob is running for mayor of

Goodells. BOB BROWN, BILL GOSCHNICK and BOB LOCKWOOD are doing routine work in the Bermuda Follies for this year. JACK BROWN owns a barber shop on Huron Avenue. BREWSTER LAFRANCE has done wonders with knitting needles. MARJORY FOGAL and DOROTHY HOOPER are joint owners of the smartest tea-room in town, namely, "The Gossip Inn." WESLEY KITCHEN manages a household appliance store. BETTY RIDDELL and ELLA WILSON are broadcasting a children's hour program over a local network. BOB LEWIS, a firm believer in the rules of the Bachelors' Club, was helplessly caught in the web of matrimony and made a charming June groom. Very patriotic are FRANK GALAT, ARDELL McRAE, and CALVIN LEPIEN, members of the National Guard. Their captain is KEN MILLER. HELEN McCORMICK has founded a hospital for wounded soldiers in France.

DON BAER and BOB McDONALD, owners of a well-known burlesque, employ KAPUA REEVES and THELMA GOSSMAN as dancers. They have made a tremendous hit. Best seller of the year was INDESPENSABLE PASTIME by FRED REIHL; a collection of notes written in classes. MARY FLEMING, being dignified and stately, is dean of an exclusive girls' school in the east. FERNAND ROBBINS is a special FBI detective, (remember the Senior Play?). HELEN COWPER, MARY BELLAW, PHYLLIS DALY, and RACHEL DUDLEY are successful in the retail selling field for an exclusive Paris designer. HARRY GOULETTE owns several race horses. ED HUX and JOHNNY LAFORGE do the jockeying. EILEEN LARGE owns a beauty parlor where she teaches ladies how to use their eyes to the best advantage. She employs AGNES BOROWSKI as dimple maker, LUCILLE ERNEST as posture director, and LEONE MILLS as mud pack expert. ERNEST JACOBS is famous at MSC for his lectures of "Early America."

HELEN TRAVIS, JEAN VOS and ELAINE VINING are in charge of the operating division of Port Huron General Hospital where FRANCES YOUNG reads books to the convalescents. Patients forget all fear and anxiety upon entering the operating room, reports MISS MARJORIE BUCKLEY, superintendent. On the presidential ballot shine the names of BILL GRICE, JOHN SANDERSON, and EUGENE DYKMAN. Each has become famous in his own field: Bill as the handsome saxophonist and Eugene as the Dodge dealer (both appeared on Major Bowes' hour); and John as lecturer on "How To Make Points in Basketball," appearing on "We, the People." DOT

MATTSON and DOT KILBOURNE are co-editors of the late Walter Winchell's column in New York, and are making a big success of their efforts. RAY INGRAM and HAROLD MacDONNELL went sailing and became sea scouts with a girl in every port.

EUGENE KIPP, having reformed ERWIN KREUTIZGER and EDDIE GILLOW, is doing splendid work in the missionary field in China, so the papers report. That is, in what is left of China. HELEN PRICE is now happily married to a wealthy patient she restored to health at Harper Hospital. GERALD OAKES, (coached by EDWIN ELLIS, a Prof. at MSC) is now sitting on the Supreme Court Bench. That was the only governmental department which did not contain any females.

ELIZABETH GURGEL, having taken a stiff course in spelling, has completed her first book, A DICTIONARY FOR HIGH SCHOOL STUDENTS ONLY, which is dedicated to the teachers of P. H. H. S. JEAN YEAGER is traveling abroad soothing soldiers' widows. BILL SNODDEN, our used-to-was treasurer, has solved and absorbed the Einstein theory and now teaches math at the U. of D. BOB WALKER is a very famous doctor because he has diagnosed "spring fever." It is rumored that SHIRLEY SLOAT, the P. H. H. S. mathematical genius, is engaged to a certain 1939 graduate, doing post graduate work in medicine.

MAURICE "MO" PONTINE is now a man of leisure, as he invented an automatic fly-swatter, making quite a fortune. DON FREELAND has finally come to intimate surroundings with his voice; he owns a little farm where he calls hogs at his leisure. DORIS HASTINGS designs clothes for over-sized women, JEANETTE REID tailors them, and FRANCES LEITHAUSER persuades big business men to "take them home to wife." ELEANOR SMITH and ISABELLA LANGOLF, former chorine girls, are now married and raising happy families. DON HORTON, owner of Horton Toothpaste, Inc., uses DON KERR for the male attraction, and MEREDITH PARFET and ERMA JEAN RAPLEY for the feminine models in his toothpaste ads.

GLEN LEONARD, former boxing commissioner, now teaches Glen Jr. some of the art along that giving and taking sport. DON SISCHO and FRED FALK, owners of the Pretty Betty Petty Parlors, employ LOLA SMITH, facial expert, and ELVIRA FEIL, manicurist or hand-holder, to influence the men trade. BETHEEN McINTYRE and NADINE PARRY are serving as Red Cross Nurses in England's Veteran Home.

JANET WEBB, the wife of a senator from Florida, has made the Social Register this year.

On the set of "In a Little Dutch Kindergarten," starring LOUISA OUSSAREN, is FRANK MORRISON, director; BILL BALKWILL, technicolor supervisor; RALPH SILVER and DENNIS FIRTH, producers, and DOROTHY WAUGH, script girl. The screen version was written by HERBERT BURNS and edited by CHARLES THOMPSON. Members of the cast are: FRANCES SHAW, JOSEPHINE SHORT, JEANNE RICHARDS, MARY LORRAINE SLOAT, and EUGENE KEELER. JEAN SMITH, immensely interested in her secretarial work, busied herself after closing time and as a result, she married her boss. MARION HOFFMAN is on a world-wide concert tour and is booked for years in advance. MARY E. YEARN is in charge of the hosiery department in J. L. Hudson's. LOIS HUSHIN, after being dismissed from Cleary College, Ypsilanti, for repeated gum chewing, teaches at a small country school. MARION McKENZIE and DOROTHY LANGOLF are all set to be old maids with their cats, goldfish, knitting and a copy of "Gone With the Wind."

BOB ADAMS, wealthy playboy, has just returned from the war a different man, so he says. Returned nurses are JEAN CAMPBELL, CATHERINE SEIFERT, ELEANOR WATSON and VIRGINIA RAETZEL; (ah! now we see why he's a different man!) GINO DeNARDEN is the American Ambassador to Italy, and DEGANERO GARZA, Italy's minister. THEOLA SPARLING, winner of the world's typing speed contest, now gives lectures on "Putting Your Fingers To Work," to VELMA JOHNSON, LOIS SHEPARD, ERNESTINE VINCENT, and MARGARET ZEPHLZAUER, who insist on using the Columbus method of typing. (Discover and then land!) FRED ROWE still owns his little grocery store. DALE CAMPBELL and his Hillbillies are appearing at the Fox Theatre after winning an amateur contest sponsored by the FRED DUNCAN Pharmacy.

Orchids to DAVID ARKILLS for the medal he won during the war for bravery. JOYCE WAKEHAM and ALICE WEHNER are building a new home in the suburbs with a special basement for growing mushrooms. CALVIN BATTLE and JAMES LENOIR do the coaching at the U. of D. where GORDON DELACY is official scorekeeper. CECIL DAVIS and KEITH DOWDING have joined the clowns at Barnum & Bailey's circus. JEAN ROBERTSON is in Germany these days interpreting Mussolini's remarks to Hitler. FRANCES KERR is Dean of the Women's Business College in Detroit, where EILEEN WALKER and FRANCES KETELS are teaching. ERNA EVANS and GLADYS DELL are very busy indeed with their 56 children, you see, they are matrons of an orphan asylum. HARLAN

WRIGHT is out in Alaska hunting for gold. JEAN WHITE inherited a fortune from her aunt and is spending it sight-seeing. ELDON WILLARD and JOHN WHITICAN are contemplating the construction of a subway on Huron Avenue. PETER WEISS has tasted the joy that comes from reading a biography. He has just started "The Grapes of Wrath" now, and he and CHRIS take turns reading the chapters.

ROSELLA SANDERSON, dietician, is informing America that grass is the staff of life. MARY WILLE is taking her husband down south this winter so he won't get the drift. MILDRED HARRISON teaches math at our Alma Mater. CHARLES McCABE and DICK HELWIG are using knowledge at an educational institution in the west where they are athletic instructors. JACK HENDERSON still has the tremendous temper that he showed in the senior play, his wife informs us. MARY LAMBERT, well-known comedienne, and her manager VIRGINIA PARKER, are enroute to Hollywood—to, of all things—marry a basketball and baseball coach respectively, in a double ceremony. There also is GLEN JOHNSON, ladies' leading man and America's forthcoming glimmer boy, with his shadow BASIL WOODS, and fan-mail secretary WILHELMINA ALBERT. IRENE FARLEY joined the army to be nearer her husband.

The Class of May 1940, shows its effects on MISS KEAN, as she is now recuperating from the

gust of their activities. MARJORIE JUNTUNEN, MARION MATHEWS and BERNICE JEX are doing settlement work in New York City. Watch their dust! ELIZA HAZELY, another MARION ANDERSON, sings for the largest audiences on record, and her traveling partner is DOLLY JOHNSTON. LORNA FRAZIER is secretary of the Frazier Paint Company. We often wondered where she got all her color. Hisscock Construction Company, with GERALD as president, is clearing the Detroit slums for Mrs. Roosevelt. HARRY BRAKEMAN is chief engineer of the project, and OLGA SHALAST doctors the blisters on the hands of the workmen. Olga is sort of a handy-man! BILL LESLIE has set up a bachelor apartment with HOWARD MUDGE acting as cook in a fresh, crisp, dotted swiss apron; HOWARD MAY in official role as housekeeper; and ROBERT HALL busy with pencil and paper, as budget-balancer. HOW TO MAKE FUDGE AND INFLUENCE MALES, written by FRANCETTA COLE, is the "book of the week."

So, in conclusion, Mr. Cleminson, as you remember these people from away back, you can readily see that they have contributed much to the world, which proves that they did profit by their high school education, after all. One thing we do know, though, is that "success comes in cans."

Sincerely yours,

SLY FOXX.
